# SPIRITUAL FORMATION: FOR AGES & STAGES COMMITTEE

Laura Foote, Director of Spiritual Formation, [laura.foote@upc-superior.com](mailto:laura.foote@upc-superior.com)

United,

Our Christmas Program was a lively and joyful way to close out the year. I'm thankful for everyone who was a part of it. Thank you to Acacia for coming to Children's Church for weeks to teach the children the songs and signs. Thank you to Cliff for coming in and helping to put together an intentional and lovely manger scene. Like with our program, there are many roles, spots and parts to fulfill—we need each other.

Starting January 19th there will be a group that meets weekly at Cathy and Dean's home to watch season two of The Chosen. Their home is an accessible and animal-free environment. There will be a time of debriefing after each episode. Come to connect with others or if you are curious about a film adaptation of the life of Jesus. Check out the image below that has more information and let me know if you plan to attend.

Culturally, we use the new year as a time to set new goals and make big changes. I'd like to invite and encourage you to listen to yourself and your body in this new year—maybe you want to set a new goal, but if you'd rather hibernate and let yourself take more time to rest—by all means do it. The trees don't hold green leaves all year round and we don't have to either. We can allow ourselves to ebb and flow with the seasons. Rather than a "New Year, New You"—it can be a new year with a rested and well-cared for you. So, if this is the permission you need to go easier on yourself—consider it granted.

In Peace,  
Laura

Our next Spiritual Formation committee meeting will be on Sunday, January 11th at 8:45a in the Youth Room.

# THE UPBEAT JANUARY 2026

From the Pastor

United,

December is done and dusted with quite a bit of snow, incredible ministry, and some amazing memories together at United Presbyterian. Y'all really showed up this Advent and Christmas season. So many families were overwhelmed (in a good way!) with the generosity you all showed through our Christmas Basket ministry! A huge shoutout to our Mission committee who orchestrated another successful year. In addition, we fed the Branham family as they welcomed their new baby, Waylon Branham! Congratulations! We made sure families who didn't have food received frozen meals, we helped with missed payments, looked to partner with other faith communities and the other churches in Superior to make sure every single week there is a free hot meal being provided, and got critical resources to several other families in the congregation.

In addition to the families supported, in worship we baptized Gunther Thomas Long, put on a spectacular intergenerational Christmas pageant, we had two full, vibrant, and different Christmas Eve services, and a special Pyjama/Brunch worship for the last Sunday of the year. Even in our worship over this season we supported english learners who are in refugee camps currently. It was so good seeing so many familiar and new faces this month in worship together.

January has a lot in store for us. We have Epiphany Sunday on January 4 where we will distribute star words, our annual baptism remembrance Sunday on January 11, our annual meeting and our birthday celebration on January 18, and a short return to ordinary time before Lent returns in February. Also in February, several of us will make our way to North Carolina for a service trip with the Presbytery. Church will be full and lively. I'm looking forward to electing and ordaining new elders and deacons and celebrating what we've done in this last year.

Probably the most notable news for January is that the screens are going up in the Sanctuary! You may have noticed the small holes that have been core drilled in the sanctuary wall for this project. Over the next few months we will get them up and running to enhance our worship experience. A huge thanks to our Worship & Technology committee for overseeing this project, the generous donors who have made it happen and to the Presbytery of Northern Waters for providing us with a grant. Y'all this project was years in the making, screens have been talked about long before I was here. It's happening. While this will be a significant change and a milestone in the life of United, it will also help us to continue to be good stewards of our resources allowing us to save significantly over the year in several areas while enhancing our worship.

My prayer for us as a church as we go into the new year is that each of us would feel led just as the magi felt led by God through the stars in the sky. Remember, God is with you, through all of life's ups, downs, twists, and turns.

Grace & Peace,  
Pastor Brett
